

West Spreydon Pool Committee News

Welcome back to school. I am pleased to say we have had a great break with no negative issues at the pool.

The average temp of the water has been 21.1 degrees. It warms our hearts to see all the families coming down and using our pool.

The children's confidence and abilities have come forward in leaps and bounds. The children that couldn't even put a foot in the water are now confident boomers! (Jordan Carter-Aranui).

Swipe cards are still available for hire for \$65. The season will end when the weather is too cold to swim. Call me on 980 6078.

We are holding a gala on the 13th March from 11 to 2 pm. We need help from our school to make this successful. A note has gone home for this, so if you want a stall, car boot (ten dollars) or a blanket at the Childs market for \$2, go to the office and grab a spot!

Thank-you to the person who has dropped off the new baby items. We appreciate it and will make a raffle out of them.

We have a donation box made for us from Brian Wilson (Connor Wilson's dad room 10). We really appreciate all your hard work Brian and we know this is going to be used! Without the help of all our water testers we could not have the pool running, so a big thank-you to them.
